

Finance Loop is driving the adoption of blockchain technology and digital assets in finance. We believe that technology adoption in finance is a continuous process and can only happen with regulatory clarity as well as compliant solutions.

The regional focus of Finance Loop is Europe with chapters in Germany. More than 1,000 users are connected to the ecosystem.

Finance Loop is connecting people, organizations, and financial hubs to educate, shape opinions, and enable new business models for the financial services industry of the future. Use our networking events <https://www.finance-loop.net/events/> and workshops <https://www.finance-loop.net/workshops/> for growing in the blockchain ecosystem.
